Corporate

Overview

Sergio Broholm is an associate in the Firm's Corporate Department. Sergio's practice focuses on company representation and transactional matters, including mergers and acquisitions, public and private company representation, and corporate governance.

Sergio has represented clients in a range of industries, including private equity, software as a service, consumer retail, light industry and healthcare.

Sergio joined the Firm in 2019. Previously, he was an associate at Kirkland & Ellis LLP in San Francisco, where he represented private equity firms and their portfolio companies in all aspects of their businesses, with a focus on leveraged buyouts, divestitures, equity financings and corporate governance.

Prior to entering law school, Sergio worked as a political risk analyst in Mexico City.

Experience

Sergio has worked on a variety of transactional matters, including:

Representing a private equity firm in its \$456 million take-private acquisition of a software company.

Representing a private equity firm in its \$4.5 billion sale of a software company to a public company buyer.

Representing a private equity firm in its \$1.05 billion sale to a public company buyer.

Representing a private company in its \$145 million take-private tender offer acquisition of a software company.

Representing a private company in its \$500 million minority investment in a software company.
