We represent companies of all sizes selling goods and services over the Internet. Whether they need guidance on everyday business issues or cutting-edge policy questions, we advise our clients on all aspects of e-commerce and online business. We draft and provide advice on user agreements, privacy policies, terms of use and other website agreements.

We also counsel clients on website content, liability issues, risk avoidance and compliance with applicable laws, rules and regulations, including the Digital Millennium Copyright Act ("DMCA"), the Children's Online Protection Act ("COPA"), the Children's Internet Protection Act ("CIPA"), the Anticybersquatting Consumer Protection Act ("ACPA"), the Uniform Electronic Transactions Act ("UETA"), the Uniform Computer Information Transactions Act ("UCITA"), the Electronic Signatures in Global & National Commerce Act ("E-Sign"), Section 230 of the Communication Decency Act, and other state and federal statutes and pending legislation relating to online privacy, copyright infringement and other issues affecting online businesses.
