

Development

We have extensive experience representing developers of office, high-rise residential and retail projects, as well as in the development of civic and educational facilities.

Representative Matters

Represented Wareham Property Group in the development, construction, financing and leasing of office/laboratory/research projects in the Emeryville/Oakland/Richmond area.

Represented international public company in the development of a five star hotel project in downtown Chicago.

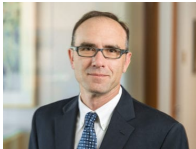

Represented Emerald, a San Francisco-based developer, in the development of three major luxury apartment projects in the Civic Center area.

Represented Panoramic Interests in the development of an innovative student housing project in SOMA district of San Francisco.

Represented the project manager in connection with negotiation of a project management agreement with the Exploratorium in connection with construction of the Exploratorium's new home at Piers 15/17 in San Francisco.

Represented various civic and educational organizations such as SF Jazz, the San Francisco Friends School and San Francisco University High School in the acquisition, construction and financing of their facilities.
