Jason Rabbitt-Tomita is a seasoned dealmaker who utilizes a wealth of technology and cross border experience to help clients see around corners to achieve excellent outcomes in M&A and other corporate transactions.

In a career spanning more than 20 years, Jason has advised some of the world's most prominent companies in high stakes acquisitions, divestitures, joint ventures and other corporate matters. Jason has advised on transactions having an aggregate deal value of \$100 billion.

Jason previously served as a partner at several AmLaw 50 law firms. Most recently, he served as Head of M&A Legal at Broadcom Inc.

Jason has extensive cross-border experience, including more than six years spent practicing at American law firms in Japan and Singapore.
