P. Rupert Russell is an experienced and trusted advisor to business clients, including public and private, domestic and foreign, and for-profit and non-profit companies and organizations.

Rupert advises business clients on the structuring, negotiation and documentation of complex transactions, including mergers and acquisitions, securities offerings, syndicated credit facilities, bank credit facilities, venture capital and business formations. He has led many billions of dollars in sophisticated deals across these areas, although his practice focuses on middle market transactions.

Known for his ability to navigate high-stakes, business-critical issues, Rupert is often called upon by clients to lead their most complex and sensitive deals. He has worked with clients across various industries, including investment funds, technology, healthcare, agriculture (including produce) and manufacturing, managing transactions ranging in size from a few million dollars to over \$40 billion.

Additionally, Rupert has represented NYSE, Nasdaq and OTC-listed public companies in a wide range of capital markets transactions, including underwritten offerings, PIPES, at the market offerings, rights offerings and shelf takedowns. He also advises on periodic and other SEC reporting obligations and corporate governance matters.
