Chambers High Net Worth Guide Recognizes Shartsis Friese Family Wealth Planning Group

San Francisco, July 14, 2020: Shartsis Friese LLP is pleased to announce that the firm's Family Wealth Planning Group has been recognized by Chambers & Partners prestigious *High Net Worth* guide in the Private Wealth Law (Northern California) category. Partners Richard Kinyon, Patrick McCabe, and Danielle Zaragoza received individual honors as Notable Practitioners.

The Family Wealth Planning Group at Shartsis includes ten attorneys representing a wide range of high-net-worth individuals and families, including among others: executives of public corporations, owners of closely held businesses, and entrepreneurs involved in start-up businesses. Members of the group also assist individuals, families, private foundations, charitable organizations, and businesses to implement their philanthropic goals, representing some of the largest and best known foundations in California.

"The firm's Family Wealth Planning Group has grown by leaps and bounds over the past year – adding top talent to an already strong group – and really cemented its reputation as the premier estate planning practice in Northern California," said Shartsis Friese founding partner Art Shartsis. "We are all very proud of Richard, Patrick, Danielle and the entire team."

According to Chambers: "Chambers High Net Worth ranks the top lawyers and law firms for international private wealth. The guide also recommends leading accountancy firms, private banks, wealth managers, trust companies and other professional advisers to HNW and UHNW clients around the world. The guide is used by family offices and professional advisers to wealthy individuals, providing objective guidance on an international scale. These recommendations are based on in-depth analysis provided by our team of experienced researchers."
