Shartsis Frieze Practices and Lawyers Ranked by Chambers

SAN FRANCISCO, June 6, 2025 – Shartsis Frieze celebrates the firm’s collective and individual rankings for 2025 by Chambers & Partners, a respected research and legal data provider that annually highlights top lawyers and law firms regionally, nationally, and globally.

Shartsis Frieze’s Investment Funds & Advisers practice and Managing Partner Neil Koren are ranked both in the *Chambers USA Guide 2025* and *Global Guide 2025*. The firm’s Real Estate practice and Partner Peter Aitelli are ranked in the *Chambers USA Guide 2025*.

“At Shartsis Frieze, our focus is on our clients, and we couldn’t be more pleased that those same clients took the time to provide insights into their experience with our firm and our performance. Chambers is a premier ranking platform for lawyers, and this recognition is not just a feather in our cap, it’s a testament to the quality of our clients,” said Koren.

Chambers rankings are compiled through assessment of firms’ work and market surveys that lean on client feedback. Rankings are assessed on qualities including technical legal ability, professional conduct, client service, commercial astuteness, diligence, commitment, and other qualities most valued by clients.
